

HEALTH AND RESPITE SERVICES

Respite Care

Temporary home care provided to eligible recipients when guardians or providers need to be away.

Adaptive Equipment

Health & Respite can be used to purchase accessibility equipment such as bath seats, communication devices, and more.

Home Modifications

Funds can be provided to assist with both minor and major home modifications.

Counseling, Training and Education

Counseling or training programs needed to help provide support for the recipient are eligible.

Other Items

Other items can be requested and approved based on determination.

What is Health & Respite?

The Ross County Board of DD established the Health and Respite Budget to assist families who care for a family member(s) eligible for services through the Ross County Board of DD.

How to Apply

Contact Health and Respite Coordinator Cindy Elliott to receive an application for the Health & Respite Budget assistance.
